

Mell Millgate - Change The Unicorn

Creating change for women in business. Working with organisations to unlock the hidden potential of doing things differently, enabling them to adapt beyond the world where society measures success by size and continuous growth through crushing the competition and becoming a Unicorn.

Delivering a pathway to define and achieve success on your own terms.

YOUR SUCCESS

- Pursuing different will be better for you and your organisation, rather than chasing bigger
- Clarity in staying true to yourself and knowing your worth
- The importance of trusting your inner wisdom
- Strategies for you to define your success
- Framework to choose a different path

WORDS FROM OTHERS

"I got goosebumps listening to you. Your words are really powerful."

Rosetta Holmes
Essential Difference

"We would like you to be our guest expert speaker again."

Margaret Killalea
Greater Hume Council

"It's not easy to hold a dinner crowd and you did beautifully within a very short time frame."

Jacqueline Nagle
Any Given Tuesday

UNIQUE PERSPECTIVE

Mell's engaging approach reveals the fallacy surrounding the current fascination with business unicorns.

She challenges the notion that success is built on bigger is better and instead introduces the concept of success is personal and different is better than bigger.

Drawing from her expertise and real-world experiences, Mell offers actionable frameworks to light and lighten the path for women in business.
